RESEARCH AND DEVELOPMENT SERVICES AGREEMENT

[Consider renaming this agreement to suit the activities to be undertaken. For example, "Solution Development Agreement".]

THIS AGREEMENT ("Agreement") is made as of ***[Insert date]***, between ***[Insert legal name of Purchaser]***, with an office at ***[Insert address]*** (the "Purchaser") and ***[Insert legal name of supplier]*** with an office at ***[Insert address]*** (the "Supplier").

[If several purchasers are acting in concert, it may be advisable to have one of them, or some other agent, act as the "Purchaser" under this Agreement (rather than have all of them sign it). For example, one hospital in a LHIN may take the lead, and be responsible for coordinating with the Supplier, and may be the named "Purchaser" of innovation services under this Agreement. This may assist with centralizing instructions and oversight. Additional legal and other advice may be needed, depending on the structure that is chosen (e.g., to ensure that any intellectual is appropriately owned; to avoid disadvantageous tax consequences, etc.).]

WHEREAS the Purchaser issued a request for solutions ("RFS") dated ***[Insert date]*** for ***[insert description of the Solution at a high level.]*** (the "Solution");

AND WHEREAS the Supplier submitted a proposal dated ***[Insert address]*** in response to the RFS;

AND WHEREAS upon the completion of the evaluation process pursuant to the RFS, the Supplier was identified by the Purchaser as the preferred proponent pursuant to the RFS;

AND WHEREAS the Supplier and the Purchaser were able to agree on the terms and conditions of this Agreement in respect of the research and development of the Solution;

NOW THEREFORE, for good and valuable consideration, the parties hereto agree as follows:

Article 1 Interpretation

1.1 Definitions

In this Agreement, unless the context otherwise requires, the following terms have the meanings indicated below:

- (a) **"Business Day"** or **"Business Days"** means Monday to Friday between the hours of 9:00 a.m. to 5:00 p.m., except when such a day is a public holiday, as defined in the Employment Standards Act (Ontario) or as otherwise agreed to by the parties in writing.
- (b) **"Confidential Information"** has the meaning ascribed to it in Section 6.1 (Confidentiality).
- (c) **"Days"** means calendar days.

- (d) **“Deliverables”** means any and all documentation, scripts, improvements, tools, software, structures, techniques, inventions, developments, processes, discoveries and any other work product created or developed by or on behalf of the Supplier in connection with the performance of the Services.
- (e) **“Disclosing Party”** has the meaning ascribed to it in Section 6.1 (Confidentiality).
- (f) **“Effective Date”** means the date that this Agreement is made, as first shown above.
- (g) **“Event of Force Majeure”** means any cause beyond the reasonable control of a party to this Agreement, including any act of God, outbreak, or epidemic of any kind, communicable and virulent disease, strike, flood, fire, embargo, boycott, act of terrorism, insurrection, war, explosion, civil disturbance, shortage of gas, fuel or electricity, interruption of transportation, governmental order, unavoidable accident, or shortage of labour or raw materials.
- (h) **“Fees”** means the fees payable in respect of the Services set out in Section 4.1 (Fees).
- (i) **“FIPPA”** means the *Freedom of Information and Protection of Privacy Act* (Ontario). **[Remove FIPPA and clauses that speak to FIPPA if it does not apply to the Purchasers.]**
- (j) **“Governmental Authorities”** means governments, regulatory authorities, governmental departments, agencies, agents, commissions, bureaus, officials, ministers, Crown corporations, courts, bodies, boards, tribunals, or dispute settlement panels or other law, rule, or regulation-making organizations or entities having or purporting to have jurisdiction on behalf of any nation, province, territory, state, or other geographic or political subdivision thereof; or exercising, or entitled or purporting to exercise any administrative, executive, judicial, legislative, policy, regulatory, or taxing authority or power, and includes the Ministry of Health and Long-Term Care and Health Canada.
- (k) **“Indemnitees”** means the Purchaser and its officers, directors, agents, employees, or physicians.
- (l) **“Intellectual Property Rights”** includes any proprietary rights provided under: (i) patent law; (ii) copyright law (including moral rights); (iii) trade-mark law; (iv) design patent or industrial design law; (v) semi-conductor chip or mask work law; or (vi) any other statutory provision or common law principle applicable to this Agreement, including trade secret law, or the expression or use of same; or any applications, registrations, licenses, sub-licenses, franchises, agreements or any other evidence of a right in any of the foregoing;
- (m) **“Personal Information”** means personal information as defined in FIPPA. **[Consider whether the Supplier will have access to or handle Personal Information as part of the Services – it may not, in which case relevant provisions can be deleted.]**
- (n) **“PHI”** means personal health information as defined in the *Personal Health Information Protection Act*, 2004 (Ontario). **[Consider whether the Supplier will have access to or**

handle PHI as part of the Services or whether the Solution must comply with PHIPA – it may not, in which case relevant provisions can be deleted.]

- (o) **“Privacy Office”** means the privacy office of the Purchaser.
- (p) **“Purchasing Organization”** means the organization that conducted the RFS process on behalf of the Purchaser.
- (q) **“Recipient”** has the meaning ascribed to it in Section 6.1 (Confidentiality).
- (r) **“Services”** means the services described in the Agreement and the Services and Fees Schedule, together with such other services that are an inherent or necessary part of the foregoing or are required or reasonably necessary for the proper performance or provision of the foregoing.
- (s) **“Solution”** means the ***[insert general description of the solution that is the intended output of the Services – this should describe what the solution should do, rather than a fixed description of exactly how it should be done].***
- (t) **“Supplier Materials”** means the materials and information possessed by the Supplier prior to the commencement of the Supplier’s delivery of the Services, or acquired by the Supplier during the performance of the Services, except to the extent that such materials and information: (i) were developed or acquired (whether alone or jointly with others) specifically and exclusively for the Purchaser in connection with the Services; or (ii) were provided to the Supplier by the Purchaser, whether directly or indirectly.
- (u) **“Supplier’s Personnel”** means the Supplier’s employees, agents, representatives, and subcontractors who are listed in the Personnel Schedule.
- (v) **“Supplier Project Manager”** means the manager designated in accordance with Section 3.1 (Supplier Project Manager).
- (w) **“Term”** means the effective period of the Agreement as set out in Section 5.1 (Term).

1.2 Schedules

The following Schedules are attached to and form an integral part of this Agreement:

- (a) Services and Fees Schedule
- (b) Project Plan Schedule
- (c) Personnel Schedule
- (d) Information Practices Schedule
- (e) Supplier’s Proposal Schedule

[This list may require alteration or may be augmented to reflect the RFS process.]

1.3 Order of Precedence

[OPTION 1 – Use the text below if the RFS and Supplier’s Proposal are to be attached to this Agreement. The advantage of choosing Option 1 is that it is a shortcut to ensuring that the Purchaser’s requirements and parameters (in the RFS), as well as the details about the Supplier’s proposed solution and proposal elements, are both incorporated into the contract that results from the RFS (and are enforceable as a matter of contract). However, the disadvantage is that the RFS, the Supplier’s proposal, and the terms of this Agreement may not read or integrate well; it may be cumbersome or problematic to piece together what obligations arise on a given subject. For example, the Supplier’s proposal could assign the Purchaser various obligations that the Purchaser may not be entirely willing to take on; similarly, the proposal could expand on the intellectual property provisions of this Agreement in unexpected and unintended ways – neither of these are necessarily conflicts with the main agreement, and so would not be resolved by this Section of the Agreement. Also, the RFS may have distracting procedural elements that no longer apply to the relationship with the Supplier. Consider Option 2.]

In the event of any conflict or inconsistency in the Agreement, the following is the order of precedence of documents comprising this Agreement:

- (a) Article 1 to Article 12 of this Agreement;
- (b) the Information Practices Schedule;
- (c) the other Schedules annexed to this Agreement, except for the Supplier’s Proposal Schedule;
- (d) the RFS; and
- (e) the Supplier’s Proposal Schedule.

Notwithstanding the foregoing, the provision of any Schedule annexed to this Agreement (except for the Supplier’s Proposal Schedule) shall govern if it expressly provides that it supersedes the other provisions of this Agreement.

[OPTION 2 – Use the text below if the RFS and Supplier’s Proposal will not be attached to this Agreement. This means that relevant text from the RFS and Supplier’s proposal will need to be extracted and inserted into this Agreement (generally, in the Schedules). This includes extracting the information found in:

- ***the RFS Statement of Needs Schedule;***
- ***all outcome-based specifications in the RFS;***

- **any relevant value-based evaluation criteria (reframed as performance metrics or otherwise) in the RFS; and**
- **important elements of the Supplier's proposal.**

The advantage of this approach is that it ensures that only relevant and acceptable text is incorporated into the Agreement; this approach presents less risk to the Purchaser if done properly. The disadvantage of this approach is that it requires more upfront effort, and requires diligence to ensure that all important information is carried over from the RFS and the Supplier's proposal to this Agreement. Put simply, if a requirement, metric or parameter was included in the RFS or the Supplier's proposal, and is important to the Solution, then it should appear in the final version of the Agreement that is signed. Option 2 is highly advisable over Option 1.

In the event of any conflict or inconsistency in the Agreement, the following is the order of precedence of documents comprising this Agreement:

- (f) Article 1 to Article 12 of this Agreement;
- (g) the Information Practices Schedule; and
- (h) the other Schedules annexed to this Agreement.

Notwithstanding the foregoing, the provision of any Schedule annexed to this Agreement shall govern if it expressly provides that it supersedes the other provisions of this Agreement.

1.4 Rules of Interpretation

This Agreement shall be interpreted according to the following provisions, unless the context requires a different meaning:

- (a) Unless the context otherwise requires, wherever used herein the plural includes the singular, the singular includes the plural, and each of the masculine and feminine includes the other gender.
- (b) Words in the Agreement shall bear their natural meaning.
- (c) References containing terms such as "includes" and "including", whether or not used with the words "without limitation" or "but not limited to", shall not be deemed limited by the specific enumeration of items but shall, in all cases, be deemed to be without limitation and construed and interpreted to mean "includes without limitation" and "including without limitation".
- (d) In construing the Agreement, general words introduced or followed by the word "other" or "including" or "in particular" shall not be given a restrictive meaning because they are

followed or preceded (as the case may be) by particular examples intended to fall within the meaning of the general words.

Article 2 **Services**

2.1 **General**

- (a) The Supplier agrees to provide the Services in accordance with the requirements of this Agreement and in a professional manner.
- (b) The Supplier shall perform the Services and deliver the Deliverables according to the Project Plan Schedule.

2.2 **Value Enhancement**

In performing the Services, the Supplier shall work with the Purchaser to identify potential savings and/or service improvements in the Solution and shall make recommended changes to the methods and processes used by the Purchaser in connection with the Solution.

2.3 **Acceptance of Services**

[Consider whether a more detailed acceptance testing regime is necessary.]

- (a) If any part of the Services provided is not acceptable to the Purchaser, acting reasonably, the Purchaser shall provide notice to the Supplier, which notice shall explain the deficiency(ies) in the Services.
- (b) Upon receiving such notice, the Supplier shall take immediate corrective action and remedy the deficiency(ies) within 10 Days.
- (c) Where the Supplier's attempt to correct such deficiency(ies) is unsuccessful, in the Purchaser's sole discretion, the Purchaser may:
 - (i) provide notice to the Supplier in accordance with 2.3 and give the Supplier the opportunity to remedy the deficiency or deficiencies pursuant to 2.3(b); or
 - (ii) terminate the Agreement on written notice to the Supplier.

2.4 **Ownership of Deliverables**

[This section 2.3 contemplates that the Purchaser will "own" the intellectual property rights in the Deliverables. This may not reflect the intended arrangement, such as where the Supplier will develop a Solution that it will own and license or provide to the Purchaser. The form of agreement attached to the RFS should be clear as to whether the Purchaser intends to own these rights. This clarity is essential for the proponents to submit accurately priced proposals and to allow for a proper comparison of proposals.]

If the Supplier is to own the intellectual property rights in the Deliverables, consider the following in place of 2.3.2 below:

2.4.1 General

- (a) ***The Purchaser acknowledges that all Intellectual Property Rights in all Purchaser Materials and Deliverables shall be retained by the Supplier and the Purchaser shall have no Intellectual Property Rights in the Purchaser Materials and Deliverables other than as provided hereunder.***
- (b) ***Supplier hereby grants to the Purchaser and its agents, third party service providers, successors and assignees, as applicable, a non-exclusive, world-wide, perpetual, royalty-free, fee-free license (with the right to use same for the benefit of its personnel, patients or users) to use, execute, display, perform and copy the Deliverables (and Purchaser Materials embedded in or reasonably required to use the Deliverables): (i) in connection with the Purchaser's receipt of the Services; and (ii) for the purposes of using and maintaining the Deliverables, whether for the purposes contemplated hereby or for such other purposes as are reasonable given the nature of the Deliverables. The right to use the Deliverables includes the right to translate, enhance and create extensions and derivative works solely to the extent necessary for (i) and (ii) above.***
- (c) ***All Intellectual Property Rights in all Supplier Materials shall be retained by the Supplier subject to a grant by the Supplier to the Purchaser of an irrevocable, non-exclusive, worldwide, royalty-free license to use any Supplier Materials as part of performing the Services.***
- (d) ***The Supplier shall not infringe on any Intellectual Property Rights of any third party in performing the Services.***

ALSO: add the following definition to the Definitions Section:

"Purchaser Materials" means the materials and information (i) possessed by the Purchaser prior to the commencement of the Supplier's delivery of the Services, or (ii) provided by the Purchaser to the Supplier during the performance of the Services (and were not previously provided to the Purchaser by the Supplier, whether directly or indirectly).]

2.4.2 General

- (a) Except in respect of Supplier Materials (the licensing of which is set out in Section 2.4.2(b), all Intellectual Property Rights in all Deliverables shall be and hereby are assigned to the Purchaser and the Supplier shall have no Intellectual Property Rights in such Deliverables. At the request and expense of the Purchaser, the Supplier shall do all acts necessary and sign all documentation necessary in order to assign to the Purchaser all such Intellectual Property Rights and to enable the Purchaser to register patents, copyrights, trade-marks,

mask works, industrial designs and such other protections for the Deliverables as the Purchaser deems advisable anywhere in the world.

- (b) All Intellectual Property Rights in all Supplier Materials shall be retained by the Supplier subject to a grant by the Supplier to the Purchaser of an irrevocable, non-exclusive, worldwide, royalty-free license to use any Supplier Materials that are incorporated into the Deliverables to the extent necessary for Purchaser to use or access the Deliverables, whether for the purposes contemplated hereby or for such other purposes as are reasonable given the nature of the Deliverables.
- (c) The Supplier shall not infringe on any Intellectual Property Rights of any third party in performing the Services.
- (d) The Supplier unconditionally waives any and all moral rights in the Deliverables and shall obtain an unconditional waiver of moral rights from any author or creator of any such Deliverables. Such waiver of moral rights shall be delivered to the Purchaser, if requested by the Purchaser.

2.4.3 Jointly Developed Intellectual Property

If, in connection with this Agreement, the Parties jointly develop any intellectual property for the purposes of providing savings or improved methods or techniques for the benefit of the Purchaser (or any purchaser or user of the Solution), such intellectual property shall be deemed a Deliverable and governed by this Agreement (regardless of whether it specifically relates to the Solution). ***[Confirm that any other new IP (i.e., IP that is not specifically a Deliverable) ought to have the same treatment as a Deliverable under this Agreement – likely that should be the case, but it will depend on the circumstances.]***

Article 3 Project Management

3.1 General

The Supplier shall be responsible to the Purchaser for the acts and omissions of the Supplier's Personnel.

3.2 Supplier Project Manager

[Optional – if removing, remove references to the Supplier Project Manager throughout the document]

The Supplier shall promptly designate a Supplier Project Manager (subject to the prior approval of the Purchaser) who shall have the required skills and capabilities to adequately perform the role, and shall be fully authorized to make decisions and otherwise deal with the Purchaser in an effective and timely manner in respect of all matters under the Agreement. The Supplier Project Manager shall:

- (a) be responsible for co-coordinating the provision of the Services with the Purchaser;
- (b) ensure that the Supplier's obligations are completed in an efficient and timely manner; and
- (c) be readily available to the Purchaser by telephone and electronic communication during hours mutually agreed upon in writing regarding this Agreement, including, without limitation, responding to requests, queries, and complaints from the Purchaser.

3.3 Reports

At the request of the Purchaser, the Supplier shall deliver to the Purchaser operational progress reports throughout the Term and a final report, all such reports to be in a mutually agreed upon format. Such reports, which shall be considered to form an integral part of the Services, may include, but are not limited to, the following:

[Choose one or all of the following reports, or create a list of the reports that are needed.]

- ***Daily/Weekly/Monthly Progress/Status Report***
- ***Daily/Weekly/Monthly Cost/Budget Report***
- ***Daily/Weekly/Monthly Personnel Report]***

3.4 Personnel

The Services shall be provided by the Supplier's Personnel, who shall function under the direction and control of the Supplier's Project Manager. The Supplier shall ensure that the Supplier's Personnel:

- (a) only perform activities in relation to the Services that are specifically assigned to them in the Personnel Schedule or as otherwise agreed by the parties in writing; and
- (b) have the necessary experience, professional designations and credentials required to provide the Services.

The Supplier shall not substitute alternates for any Supplier's Personnel without the prior consent of the Purchaser, which consent shall not be unreasonably withheld.

3.5 Application of Purchaser's Rules to Supplier's Personnel

- (a) All policies and procedures applicable to the employees of the Purchaser regarding their conduct in connection with the business and affairs of the Purchaser shall, insofar as the same shall be required by the Purchaser, be applicable to the Supplier and the Supplier's Personnel while on the Purchaser's premises. It is the responsibility of the Supplier's Personnel to familiarize themselves with all such policies and procedures, which the Purchaser shall provide to the Supplier prior to, or at the time of execution of the Agreement.

- (b) In the event that any of the Supplier's Personnel fails or refuses to abide by such policies and procedures, Supplier shall ensure that such person no longer performs any Services for the Purchaser, and such person may be removed from or not admitted to the Purchaser's premises. The Purchaser shall have no liability in connection with the foregoing.
- (c) If requested by the Purchaser, the Supplier shall adhere to, and provide such attestations as are contemplated by, the Healthcare Supply Chain Network National Standard on Vendor Credentialing (as may be amended from time to time). The Purchaser may disallow admittance to any of the Supplier's Personnel to the Purchaser's premises where such person (or the Supplier) does not meet that standard.

3.6 Purchaser Assistance

[Optional – if Services are on-site]

The Purchaser agrees to:

- (a) keep the equipment areas free of materials extraneous to said work and to remove any stock, fixtures, or partitions needed to facilitate the Services;
- (b) remove all obstructions to provide such clearances, as required, if the Services are in an area with less than the minimum clearances recommended for servicing; and
- (c) extend to the Supplier's Personnel any facilities at the Purchaser's premises that are necessary for the completion of the Services.

3.7 Workers' Compensation

The Supplier shall make all payments required under the Workplace Safety and Insurance Act (Ontario), and under similar legislation in other jurisdictions, and shall indemnify and hold harmless the Indemnitees from any failure to comply. The Supplier shall provide the Purchaser with a certificate that the Supplier is in good standing under the relevant workers' compensation legislation.

3.8 Workplace Safety

The Supplier shall:

- (a) maintain a safe workplace or work site in accordance with safe work practices and housekeeping;
- (b) comply with the Occupational Health and Safety Act (Ontario) and all of its regulations pertaining to the type of work being performed;
- (c) have actual knowledge of, and comply with the Purchaser's safety policies and appropriate safe work procedures;

- (d) provide the necessary protective equipment, devices, or related safety item(s) as required by the Occupational Health and Safety Act (Ontario) and all of its regulations, as well as the Purchaser's safety policies, and ensure that such equipment, devices, and items are used in the performance of the requirements of the Agreement;
- (e) if requested, provide the Purchaser with a copy of the Supplier's written health and safety policy as required by the Occupational Health and Safety Act (Ontario); and
- (f) where applicable, provide product performance information relating to anti-microbial effectiveness, to be documented for the review and approval of the Purchaser and the Purchaser's infection control units.

3.9 Regular Hours

All Services shall be performed during regular hours or hours mutually agreed upon in writing. Overtime hours, pre-approved in writing by the Purchaser, shall be billed as set out in the Services and Fees Schedule. ***[This section may be inapplicable to the Services and can be deleted.]***

3.10 Compliance with Accessibility Standards

[Optional] The Services provided hereunder shall comply with applicable accessibility standards under the Accessibility for Ontarians with Disabilities Act, 2005 and its regulations. If requested by the Purchaser, acting reasonably, the Supplier shall provide evidence of the policies, procedures and training practices that it has implemented to comply with the foregoing. ***[Further optional clause: The Supplier shall comply, and shall ensure that its personnel read and comply, with all Purchaser policies in respect of that Act and its regulations, as may be applicable to the Services.]***

3.11 Changes to Schedules

The Purchaser shall be entitled to make changes to the schedules at any time provided that:

- (a) any such change shall be set out in writing and delivered to the Supplier; and
- (b) where any such change results in an increase or decrease in the cost or time required for the delivery of the Services or performance of any requirement of this Agreement, an equitable adjustment shall be made to the Fees or to the delivery date, or to both, provided that such adjustment is agreed to by the parties in writing.

Article 4 Fees and Payment

4.1 Fees

Subject to any adjustment pursuant to Section 3.11 (Changes to Schedules) the Fees for the Services shall not exceed the total sum of ***[\$[Insert]***. The Fees shall be payable in milestone payments as set out in the Services and Fees Schedule. ***[Ensure that the milestone payments are set out in the cross-referenced schedule. Milestone payments are an effective way to***

mitigate risk in an innovation procurement by tying Fee payments to significant stages of the Services.]

4.2 Invoicing

The Supplier shall submit invoices to the Purchaser for payment in accordance with Section 4.1 (Fees). No additional or contrary term or condition, which may be contained in the Supplier's invoice, shall have any application to this Agreement. Invoices shall reference this Agreement number and shall contain a brief, point form narrative relating to the amounts set out in it.

The Purchaser's payment term shall be net ***[Insert]*** Days, unless, within that period, the Purchaser, acting reasonably, gives notice to the Supplier that the Services are not in accordance with the terms hereof in some material respect. ***[Specify: 30 Days or 60 Days or as applicable.]***

4.3 Taxes

As the Fees are exclusive of all harmonized and local sales taxes, if any, each shall be clearly set out on the Supplier's invoice and paid by the Purchaser unless it provides evidence of exemption therefrom.

4.4 Other Costs and Expenses

The Purchaser shall not be responsible for any costs or expenses of the Supplier relating to this Agreement that are not set out at Section 4.1, including, without limitation, in respect of accommodation or travel, unless expressly agreed to by the Purchaser in writing. Notwithstanding any agreement by the Purchaser to additional costs or expenses, all expenses that are to be reimbursed or paid by the Purchaser must be in accordance with the Purchaser's rules with respect to travel, meal and hospitality expenses, as established under the Broader Public Sector Expenses Directive. For greater certainty, meals, hospitality and incidental expenses will not be reimbursed by the Purchaser.

Article 5 Term and Termination

5.1 Term

This Agreement shall become effective on the Effective Date, and shall expire on ***[Insert date]*** unless it is terminated early in accordance with the provisions of the Agreement (the "Term"). The Term is subject to any and all rights of either party to terminate the Agreement pursuant to the terms of the Agreement, or otherwise available to either party at law or in equity.

[Generally, the Term noted above, and subject to the extension below, would encompass the Deployment Phase, if the Purchaser wishes to proceed to the Deployment Phase. If the Term is to be subject to further extension, this should be stated.]

5.2 Extension

[Optional – If the Services were acquired in a RFS process, the following option is only to be used if the RFS document referenced such an extension.]

The Purchaser, in its sole discretion, may extend the Term for an additional period of **[Insert the extension period]** months by giving written notice to the Supplier prior to the commencement of the extension period upon the same terms and conditions.

5.3 Termination by Either Party

Either party may, without liability, cost or penalty, terminate the Agreement on written notice to the other where such other party neglects or fails to perform or observe any material term or obligation of the Agreement and such failure has not been cured within 30 Days of written notice being provided; **[provided that if such failure cannot be cured within that period, there shall be no cure period and the termination may take effect immediately.]**

5.4 Termination by Purchaser

The Purchaser shall be entitled to terminate the Agreement, without liability, cost, or penalty:

- (a) on written notice to the Supplier where the Supplier: (i) makes any general assignment for the benefit of creditors or otherwise enters into any composition or arrangement with its creditors; (ii) has a receiver and/or manager appointed over its assets or makes an application to do so; (iii) becomes bankrupt or insolvent or commits an act of bankruptcy or takes or attempts to take advantage of any law or statute for the relief of bankrupt or insolvent debtors; (iv) has a resolution or a petition filed or an order made for its winding up; or (v) ceases to carry on business. Notwithstanding the foregoing, the Purchaser shall not be entitled to terminate this Agreement under this Section if the Supplier, or its creditors, or some other party makes suitable provisions for the performance of its obligations hereunder;
- (b) on **[Insert] [Days]** written notice to the Supplier, following the occurrence of any material change in the Purchaser's requirements which results from regulatory or funding changes or recommendations issued by any Governmental Authority;
- (c) on written notice to the Supplier if the Supplier breaches in any material respect any of its obligations or covenants hereunder with respect to confidential information or privacy;
- (d) in the event of a material breach of Section 2.1 or Section 7.1 (including no conflict of interest), or any service standard referred in the Services and Fees Schedule, if such breach is not cured within 90 Days of Purchaser giving written notice of such material breach to the Supplier; and

- (e) as per any provision of the Agreement that provides for early termination. ***[The Services and Fees Schedule and/or the Project Plan Schedule should describe any specific points in time at which the Purchaser will the right to exit the arrangement and terminate the Agreement.]***

5.5 Obligations in the Event of Termination or Expiration of the Agreement

5.5.1 Supplier's Obligations

In the event that the Purchaser gives notice of termination under this Agreement or this Agreement expires, or this Agreement is otherwise terminated, the Supplier shall, at the request of the Purchaser do any or any combination of the following:

- (a) disclose to the Purchaser the current state of the Services completed to the effective date of termination (including all Deliverables that have been produced) by the Supplier as at the effective date of termination;
